

## **Renowned Industry Photographer, John Parrish, Passes**

Dear Loving Community of Friends,

Friday afternoon (04/01/2016), John Parrish (born 11/18/1950), my dear partner for 27 years and father of our beloved daughters Karen Dove and Kaila Rose, fell to his untimely death from a cliff in Oklahoma while on a camping trip. Suddenly the world changed. This strong, steadfast, loving man who loved nature so much, who was so present, was the best listener, who was always serving others, and who gave so generously of himself is no longer here on this earthly plane with us. It's still very hard to believe...

His passion, artistry, dedication to excellence, creativity, his love for people, and his sincere desire to find a solution that worked for everyone will be missed. He lives in us. We are all better for having known him.

His sisters: Maggie Parrish (CA), Mila and Lee Biberdorf (AZ), and Martha and Michael Bush (PA), and Wille B., Joshua B., Jenny P., Tommy P., Zoe M., Zach M. and many other precious relatives and loved Ones will cherish their memories of John.

A celebration of his life will be held on Saturday, April 9th at 1pm at Greenland Hills UMC: 5835 Penrose Ave, Dallas, TX 75206
