

FACETING CLASSES WITH LARRY WOODS

A RARE OPPORTUNITY

Learn to cut gems from one of the best! With 38 years of award winning experience cutting gems, Larry is not only a wealth of knowledge but also a dynamic and effective teacher. Classes will cover basic to advanced faceting, rough evaluation and acquisition, sawing, pre-forming, dopping and intro to GemCad. Rough materials and faceting machines will be provided (or you can bring your own), instruction can be provided on either Raytech or Ultratech faceting machines (we can help you purchase a faceting machine). Class are one week courses that run from Sunday to Saturday and end with a BBQ party Sunday. We are located near Blanco, Texas. The costs for this class are \$1,250 for instruction plus \$300 for lodging. **THIS IS A RARE OPPORTUNITY** and may not happen again. If you are interested in participating please give us a call at 830-833-2091 ASAP.. classes are small and fill up quickly!
